CD-Ram-Bands-Together Fundraising Campaign

Dear CD Ram Band Friends and Family Members,

Thank you. You have made a difference with your personal donations. Thanks to a final anonymous donation, known only as a deeply appreciative Band Family, we hit the \$10,000 mark, all given in support of our young musicians. Their beautiful message is on the website.

You gave with gusto and good will. You gave in honor of directors, staff, seniors, friends, and family members. You gave because you are alumni or it reminded you of your band experience in high school. You gave because your student fills you with hope for the future. You gave because your niece, nephew, or cousin is adorable and fun. You gave because you love your grandchild with all your heart.

If you haven't looked at your words of inspiration please go back to our website <https://www.cdramband.org/cd-ram-bands-together> and really take in the messages. It is uplifting and has the spirit of togetherness during a time of need.

The Central Dauphin High School Band Program has always given back to the community it serves. \$1,000 of the monies donated will go to the Nutri-Packs program that feeds students all over the Central Dauphin school district. These packs are filled with healthy foods that help sustain any child or family in need. They will continue to do so with your support.

The remaining money will help ensure the students a year of success. These funds will be dedicated to music and instrument repairs for our marching, concert and jazz ensembles, and reinstate our scholarship program for band students for our 2021 seniors! And much more!

Thank you for making this happen. Thank you for continuing your support and encouragement to these students, their caring staff members, and to their music program.

With genuine appreciation -

Rachel Fraser and Jenn Brown
