

The 2021 Southern Garrett Marching Band presents...

Take that big leap without hesitation, without looking back. Overcome the past and forge toward the future. The only thing a person can ever really do, is keep moving 4WARD. Featuring the music of modern American composer Carter Pann as well the beautifully haunting melodies of Danny Elfman, 4WARD ascends us through the journey of challenge, struggle, perseverance, and ultimately triumph.

The Southern Garrett Marching Band is led by Field Commander, Morgan Tichnell; Color Guard Captain, Katelyn Bernard; Percussion Captain, Shawn Crisman and Winds Captain, Eunae Rodeheaver.
