Wireless Microphones in Auditorium – the Federal Government is using eminent domain over wireless signals and the microphones in the auditorium need to be replaced. The School District wants the music department to bear the costs. This was discussed at the 3/12, 7:00 p.m., School Board Meeting held at East High. Scott Zieber presented the band's position that the Music Department should not be solely responsible for replacing the mics. Representative from the School Board stated that the replacement MIGHT go into the 2019-2020 School Board Budget.
